

# HUMUSON COMPLEX

# **MAIZE**

## **Humuson complex with integrated synthetic fertilizers**

Stage	• Germination and root system development	• Early vegetative. Primary leaf development	• Stem Elongation	• Tasselling and ear formation
Administering	<ul style="list-style-type: none"><li>• Seed soaking for at least 8 hrs. 20ml in 10L water</li><li>• Drench the furrows with Carbo Amin 2.5L/Ha at planting and then 2.5L at emergence (optional to improve the nutrient uptake)</li><li>• Spray volume – 250L/Ha per application.</li></ul>	<ul style="list-style-type: none"><li>• Apply Grow Plus either as a drench or foliar</li><li>• Rate: 1L per Ha</li><li>• Spray volume – 200L/Ha</li></ul>	<ul style="list-style-type: none"><li>• Apply Grow Plus as a foliar (Full cover spray)</li><li>• Rate: 1L per Ha</li><li>• Spray volume – 200L/Ha</li></ul>	<ul style="list-style-type: none"><li>• Apply Grow Plus as a foliar (Full cover spray)</li><li>• Rate: 1L per Ha</li><li>• Spray volume – 200L/Ha</li></ul>

# Budget

**2.5L Carbo Amin = \$40.00 x 2**

**1L Grow plus = \$25.00**

**1L Grow plus = \$25.00 x 2**

**1L Grow plus = \$25.00**

# HUMUSON COMPLEX

## MAIZE

Humuson complex  
with manures

0 - 7 Days

0 - 7 Days

8 - 21 Days

22-55 Days

56-69 Days

### Stage

- Germination and root system development

- Early vegetative. Primary leaf development

- Stem Elongation

- Tasselling and ear formation

### Administering

- Seed soaking for at least 8 hrs. 20ml in 10L water
- Drench the furrows with Carbo Amin 2.5L/Ha at planting and then 2.5L at emergence (optional to improve the nutrient uptake)
- Spray volume – 250L/Ha per application.

- Apply Grow Plus either as a drench or foliar
- Rate: 1L per Ha
- Spray volume – 200L/Ha
- one application every 7-10 days

- Apply Grow Plus as a foliar (Full cover spray)
- Rate: 1L per Ha
- Spray volume – 200L/Ha
- one application every 7-10 days

- Apply Grow Plus as a foliar (Full cover spray)
- Rate: 1L per Ha
- Spray volume – 200L/Ha
- one application every 7-10 days

### Budget

2.5L Carbo Amin = \$40.00 x 2

1L Grow plus = \$25.00 x 2

1L Grow plus = \$25.00 x 2

1L Grow plus = \$25.00 x 2
